

INTRODUCING THE **KLIM F4**

The Klim F4 is based on the demands for a safer helmet that will actually keep the rider's head cooler. A helmet that will exceed the safety standards and at the

same time implement the latest in materials and design keeping the rider cooler and more comfortable while setting a new benchmark in helmet design. Now after four

plus years of designing, testing and perfecting, we are excited to say, "The demand has been met". Introducing the Klim F4, The Power To Cool.

KLIM F4

FEATURES:

- RAM AIR INDUCTION TECHNOLOGY With 41 Air-Craving Intakes the F4 Sets a New Standard In Ventilation Technology
